2017–2018 Verification Worksheet

Independent Student (V1)

Your 2017–2018 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, the school may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information the financial aid administrator at your school will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the school. The school may ask for additional information. If you have questions about verification, contact your financial aid administrator as soon as possible so that your financial aid will not be delayed.

C. Independent Student's Income Information to Be Verified: (applicable to the student and spouse, if married)

1. **TAX RETURN FILERS** - Complete this section if you filed or will file a 2015 income tax return with the IRS.

Note: If you filed or will file an amended 2015 IRS tax return, you must contact the financial aid administrator at your school before completing this INCOME section. ***The best way to verify income is by using the IRS Data Retrieval Tool that is part of FAFSA on the Web. Check the box that applies:***

- ☐ You and/or your spouse have already used the IRS Data Retrieval Tool in FAFSA on the Web to retrieve and transfer 2015 IRS income tax return information into your FAFSA.
- ☐ You and/or your spouse have not yet used the IRS Data Retrieval Tool in FAFSA on the Web, but intend to use the tool to retrieve and transfer 2015 IRS income tax return information into your FAFSA. *Go to FAFSA.gov, log in to your FAFSA record, select "Make FAFSA Corrections," and go to the Financial Information section of the form. Then, follow the instructions to use the IRS Data Retrieval Tool.*
- ☐ You are unable or choose not to use the IRS Data Retrieval Tool in FAFSA on the Web, and will make available to the school a **2015 IRS tax return transcript** (not a photocopy of the income tax return). If you are married and did not file jointly, a 2015 IRS tax transcript will be required for you both. *To obtain an IRS tax return transcript either (1) complete a Tax Return Transcript Request Form (provided by your school), (2) go to www.irs.gov and click on "Get A Tax Transcript," or (3) call 1-800-908-9946. You will need your Social Security Number, date of birth, and the address on file with the IRS (normally the address used when your 2015 IRS tax return was filed). Request the "IRS tax return transcript" and not the tax account transcript.*

2. **TAX RETURN NONFILERS*** - Complete this section if you and/or your spouse will not file and were not required to file a 2015 income tax return with the IRS. **Check the box that applies:**

***Note:** You will also be required to provide documentation from the IRS that confirms a 2015 tax return was not filed with the IRS. This can be obtained using IRS Form 4506-T and mark Box 7.

- ☐ You and/or your spouse were not employed and had no income earned from work in 2015.
- ☐ You and/or your spouse were employed in 2015 and you have listed below the names of all your employers, the amount earned from each employer in 2015, and whether an IRS W-2 form is attached. *You must attach a copy of all 2015 IRS W-2 forms issued to you by employers or give a valid reason why a W-2 is not available. List every employer even if they did not issue an IRS W-2 form. If more space is needed, attach a separate page with your name and Social Security Number at the top.*
